BASS FESTIVAL 2022 ANNOUNCEMENT

In May 2022 Holt Sea Angling club will be hosting the **9th North Norfolk Bass Festival** on the sand and shingle in North Norfolk. The Covid-19 pandemic over the past two years has played havoc with our match scene. Covid-19 has not gone away so during the event we will adopt practices used during those two years to mitigate against its transmission. We ask that everyone abides by these and uses social distancing and wearing of masks as appropriate.

The inaugural event in 2013 was an outstanding success with over 90 sizeable Bass recorded and released. The 2014 event was as successful although Bass numbers were lower but this was more than compensated by other species. In 2015 a total of 47 bass were recorded and again other species came on strong to create a highly competitive event with 100 match anglers from around the country participating.

The 2016 event saw the attendance increase to 106 with 63 Bass being recorded over the two days. In 2017 attendance increased again to 108 with 85 Bass recorded but the event was high jacked by Smooth Hounds with 344 recorded. 2018 saw a further increase in attendance to 112 with the Hounds again prominent with 353 recorded along with 122 Bass plus 185 Dogs and in total 2928 fish carded.

Attendance for 2019 slightly increased to 116 and more importantly saw the number of Bass recorded leap to 364 with the Hounds and Dogs although there not taking a significant role. In 2021 attendance again increased to 126 but only 44 Bass were recorded along with 72 Dogs and 9 Hounds with 3239 fish recorded over the two days.

The 2022 Festival will again incorporate the **UK Ladies Championships** and the **North Norfolk Juniors Tournament** with both being supported by *local & countrywide businesses* and Holt SAC along with the **Shannock Quads** a "Teams of 4" competition supported by *Sheringham Carnival*. As in previous years the event will include a **Mystery Pairs** competition where all adult competitors will be paired dependent on their Zone positions after the Day 1 match.

The Festival will be held over the weekend of **May 14th/15th 2021** slightly earlier than last year. Holt Sea Angling Club would like to again thank all the various organisations for their help in making this year's event again possible.

The **Bass Festival** event will be sponsored by *Kelling Heath Holiday Park* and supported by *Holt Sea Angling Club*. The event will comprise of two separate 5 hour matches fished on Saturday 14th May and Sunday 15th May. The venues for the event will be Kelling on the North Norfolk Shingle Ridge and in contrast to previous years on the sand at Bacton. Each competitor will fish Kelling on one day and Bacton on the other day. Both matches will be over the bottom of an ebbing tide and currently match times will be 10:00 to 3:00 on both days but there could be an earlier 9:00 start. This will be determined closer to the date

and will be identified in an *Information Pack* which will be sent to each competitor who has booked.

There will be an online Facebook draw for pegs from 8:00 p.m. on the evening of Wednesday 11th May. Competitor Match Cards for both Days will then be found on Day 1 pegs so everyone can go straight to their pegs for the start of the event which means early morning travel to Norfolk will be possible.

Both matches will be catch & release and fished to Holt SAC match rules.

As in 2017, 2018, 2019 & 2021 Holt SAC has agreed that all species will be returned and not taken for consumption for the duration of the event. This means that the Event will comply with any National Legislation regarding Bass as well as promoting the conservation of all other species. Any competitor breaking this ruling will be penalised. This ruling will apply to all the Event competitions.

The entry fee for the Bass Festival will be £20 for each day with an Optional Pools of £10 per day. Prize monies for each match will be for the heaviest bass, heaviest bass bag, heaviest flattie bag and heaviest overall bag. There will also be a prize donated by Kelling Heath Holiday Park for the biggest bass of the festival. Further prize categories will be added if the prize table allows. The competition will be a Penn Plus match for Penn Points as well a SAMF Qualifier for the 2023 Masters.

The **UK Ladies Championships** will be supported by *Tronixpro*. The event will follow the same logistical format as the Bass Festival regarding venues and rules, etc. Unlike previous years Ladies pegs will not be a separate grouping but will be incorporated with all the Bass Festival competitors. There will be provision for Ladies/Bass Festival double pegs where ladies and partners may fish together in both events. Ladies may also register to fish in the Ladies, Bass Festival and Junior Tournament events. Both matches will be catch & release and fished to Holt SAC match rules.

The entry fee for the Ladies event will be £15 for each day but unlike previous years there will be no Ladies Optional Pools. Prize monies will be for heaviest bag of all species each day with points awarded dependent on overall Ladies' position each day. The Lady with lowest aggregate points score over the two days will be crowned Ladies Champion and will receive the *Tronixpro* perpetual shield. Other *Tronixpro* prizes will be presented to each Lady participant.

The **North Norfolk Juniors Tournament** will be supported by *Breakaway*, thanks Norman! The event will follow the same format as the Ladies event where Juniors will be fishing under real match rules and this year as for the Ladies there will be no separate grouping of Junior pegs but will be part of the main draw. Each Junior **MUST** be accompanied at all times by an adult who may or may not be fishing the Bass Festival or Ladies events. If the adult is fishing either of these events then double pegs will be assigned.

Entry will be FREE to all Juniors and is open to all Juniors across the country. There will be a perpetual shield donated by *Country Cars* for the overall Junior winner of the two days and other prizes. The overall winners will be determined as for the Ladies Competition.

The **Shannock Quads** is a "Teams of 4" competition supported by *Sheringham Carnival*. This competition will be based on the total weight recorded by the four team members of each nominated team over the two days and the team with the highest aggregate weight will be declared the winners. In the unlikely result of a tie then total number of fish recorded will be taken into consideration. If numbers allow separate day prizes will be awarded. All Team members must participate in at least one of the other three Festival competitions.

Entry will be £20 per team for the full competition. Apart from the monetary pay out the winning team will receive a perpetual shield donated by *Sheringham Carnival*.

As in the past four years there will be a **Mystery Pairs** competition where adult competitors will be paired dependent on their Zone positions after the Day 1 match. The selection process will randomly pair those in the top half positions with those in the bottom half which will make for a fair and interesting final day result. The winners will be determined by the accumulation of the pairs Zone positions over the two days with the lowest scores taking the honours. The fee for this competition is embedded in the Overall fees for the competition. Number of winners will depend on the number of competitors competing.

This year's **Headquarters** will be shared between **Kelling Heath Holiday Park** and a new location, **Castaways Holiday Park** at Bacton. The latter is situated on a low cliff behind the match stretch and anyone staying there will only have to walk from their accommodation down some steps and to their peg when fishing Bacton.

At **Kelling Heath Holiday Park** we have again secured a 15% discount on 2022 rates for a short break stay over the weekend. A short break booking will commence on Friday 13th May and finish on Monday 16th May with rates still extremely competitive for this time of year. Accommodation comprises of Lodges and a number of Holiday homes which can accommodate up to 6 adults. There are plenty of restaurant facilities at the complex and there is also plenty of activity in the surrounding woodland and Kelling Heath is renowned for the amenities it provides. Holt SAC has hosted the last eight Festivals and five National Sea League Finals from this location and all have been impressed with the facilities.

This is an ideal place to bring your family, partner, etc. for a short break at the start of the summer. They can enjoy the surrounding facilities whilst you can enjoy your sport or alternatively they can join you on the beach which is just 2 to 3 miles away. Check out their website at www.kellingheath.co.uk .

The following are the short break discounted rates for this year's event and to obtain the discount bookings **MUST BE MADE BY PHONE**. When booking please quote *Bass Festival* to ensure you obtain the discount rates ...

There is a limited number of the above assigned to the event and if these are all taken Kelling Heath has a sister site on the coast 6 miles away at **East Runton** called **Woodhill Park** which also has a number of Holiday Homes at a slightly lower rate than above and they can also be booked through Kelling Heath. In addition, for the more open air and hardy competitors Kelling Heath also has a large number of pitches for **tourers** and **tents**. They are offering 3 nights for the price of 2 and these can also be booked as detailed above.

Castaways Holiday Park at Bacton has a raft of accommodation from caravans, lodges and apartments along with a small on-site hotel. They are generously providing them at a discounted rate and again bookings **MUST BE MADE BY PHONE**. When booking please quote *Bass Festival* to ensure you obtain the discount rates an examples of which are below and a full list can be found in the Holt SAC Facebook page behind the *Files* tab.

Again, this is an ideal place to bring your family, partner, etc. for a short break at the start of the summer. They can enjoy the surrounding facilities whilst you can enjoy your sport or alternatively they can join you on the beach which is just a short walk away. Check out their website at www.castawaysholidaypark.net .

Castaways has a full Bar and Restaurant facilities and will have live music on Saturday evening.

If Kelling Heath and sister accommodation as well as Castaways are fully booked then there is plenty of accommodation in the area and www.visitsheringham.co.uk/webcam/ is a useful site to find some as well as giving a live webcam view of the sea.
