“Sea Angler” Penn Clubman League 2010 - Top Team

Hello Club Members ... The Summer season passed off rather quietly with only a few specimen fish being caught with the most notable of these being John Carter's 3lb 13oz bass and Bill Beeton's 3lb 10oz bass both from Kelling. The start of the summer saw the dabs out in numbers but these gave way to flounders and bass as the season progressed. The biggest flounder of 1lb 2oz (36cm) coming to Tony Thomas at Kings Lynn with 35cm specimens to Dene Conway, Sam Attew and Dick Able at Kings Lynn and Bacton. With match attendance averaging well over 10 it was a successful summer season for the club.

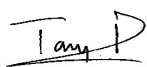

The Summer Accumulator was taken for the second year in a row by Tony Thomas with 140 points with Dene Conway 2nd on 135 and Mike Watts 3rd on 133. However, it must be said that Mike was by far the most consistent member in the summer and dropping of only 3 worst scores prevented him from winning as he had missed 4 matches. I am sure he will make amens in the Autumn and Winter.

The Sea Angler Clubman teams have been selected and sent to Sea Angler. The teams have been picked to try and maximise the chances of the club coming in the frame again this year. This selection has been made easier because any winnings now goes straight into the club with no personal gain as agreed at the AGM. The teams are **HSAC North** Dene Conway, Paul Fenech, Tony Thomas, Mike Watts, Henry Randell (reserve) **HSAC East** John Carter, Peter Loke, Peter Morse, Paul Thorburn, Dick Able (reserve) **HSAC West** Ivan Allen, Sam Attew, Bill Beeton, John Neave, Ashley Riches (reserve). After the 5 summer matches that qualify for 2011 the points are ... HSAC North - 34 HSAC East - 26 HSAC West - 11 .

The Winter season is nearly with us when the rod rattling whiting will hopefully be there this year. Our first match after the break is at Salthouse on 11th September and hopefully attendance will be good like last year. Two club teams (Holt Blues & Holt Reds) qualified for the National Sea League Final in Eastbourne at the end of October and will be participating, good luck to them. The club is entering 3 teams in the Local league this year and more teams could be entered if we have the members. Maximising the number of club teams is important, particularly as the 2012 Final could again be in North Norfolk. Finally, there will be a club challenge match between an Avenue Angling 10 and HSAC at Kelling on 23rd October. This will be combined with our Pairs match so please ensure you are available for this event. Plenty of activity and this is only the start of the Winter season so let's hope the weather plays ball!

Looking forward to seeing you all on the beaches this winter.

Regards,

Club, Chairman

Fixtures:
