“ Building the *Holt Sea Angling Club* of the future ”

Dear Club Members ...

As with everything else this year the Summer season was dominated by the weather but we still managed to complete our fixtures with only a couple of matches having to be cancelled. The season kicked off in April at Salthouse with a solid turnout of 15 with dabs galore and 10 sizeable bass which was to set the trend for most of the remaining matches of the summer. Heaviest flat of the summer went to John Carter with a 1lb 5oz flounder at Kings Lynn and heaviest round also to John with a 5lb 12oz bass at Salthouse. This consistent performance throughout the summer enabled John Carter to take the Summer Accumulator with a comfortable margin on 143 points from Henry Randell on 133 points and Tony Thomas on 131 points, well done JC.

The club's annual mackerel bash was switched to Cley for a change from Kelling and fished earlier in July in a hope of catching the bucketfuls of mackerel that appeared during June. A small turnout managed just single figure fish but at least some did appear with Ivan Allison taking the honours recording 5 mackerel.

The summer saw the running of the club's first West Norfolk Challenge Series at Kings Lynn featuring 4 matches on the river Ouse estuary. These featured an Overall champion, Free pairs and Mystery pairs winners over the 4 matches with John Carter current overall leader at time of press with one match left. An event well supported by club members but very few non-members but the committee has agreed to run a similar event in 2013 but requested all matches on Sundays to attract more non-members.

An individual success during the summer is that of club member Dene Conway who will be fishing during September for SAMF on the beaches of Holland in the Annual Belgian Challenge event. This follows the precedence set by club members Peter Loke and Tony Thomas participating in this competition back in 2008. Well done DC!

The Sea Angler Clubman teams have been selected in accordance with the agreement made at the 2011 AGM. There are 3 club teams and the first of our summer results will appear in Sea Angler shortly.

The 2012/2013 North Norfolk Sea League will now be organised by Holt SAC and the first match of 6 will be at Bacton on 14th October. If any club member not yet assigned to a team wishes to fish in a team please contact the club committee.

The 2012 National Sea League Final will be fished in North Norfolk on the weekend of 1st/2nd December with between 25 and 30 teams expected. Holt SAC will be assisting the organisation and participating with one of the club's teams probably requiring team members so again if you are interested in being in a club team please contact the club committee.

The club certainly has a full agenda over the coming months where we will demonstrate the club's organisation abilities whilst providing excellent competition and club spirit for all club members. See you all on the shingle very soon where we hope those rod rattling whiting will be there this year!

Regards,

Club Chairman
