Welcome to the New Season

Welcome one and all to the 2010/2011 season.

The general theme of the AGM was very positive with club growth and match attendance being a hot topic, its was felt by all members that every member in the club should try and support as many matches as possible, so please bear this in mind when deciding upon whether or not to fish a certain venue or a certain date, as everyone one of us should try our hardest to be there. Lets aim for an average of 20 members each match!

As with the last season we will try to continue to be as flexible as possible in case we need to re arrange a venue or a match date to enable a better chance of catching fish, with that in mind I will be collecting details of everyone's mobile phone for a contact sheet in case of short notice changes.

Another new idea for the coming season will be the introduction of an extra 50p per match this is to go towards the end of season meal and presentation and will not affect match payouts or parking fees.

Our first match is this coming weekend on Sunday 28th of March at Cley fishing the first match of the summer accumulator from 9am till 2pm, please note all membership monies are due at the first match.

Next Committee Meeting will be on Tuesday 27th of April 7pm for 7.30 at the usual venue, to discuss next fixtures and any other business.

Sea Angler Clubman League

With the first clubman league coming to an end and HSAC doing very well in both the individuals and the team event, it is now time again to put together teams within the club matches, this is a free event and does not effect anything within the club, results are sent to Alan Yates each week so please let Dene or Tony know if you are interested.

First 5 Fixtures:

Cley Sun. 28th March 9am-2pm

Kelling Sun. 11th April 9am-2pm

Salthouse Sun. 18th April 11am-4pm

Cley Sat. 24th April 9am-2pm

Kelling Sun. 2nd May 10am-3pm

We will be holding the annual smooth-hound Open and the Mackerel Bash again this year so lets hope the fish play ball !! Dates to be determined.

Teams of 5

This year it has been decided by SAMF to hold the national finals on the North Norfolk Beaches which is great news for HSAC being the premier club in the region, we have 3 teams that have qualified for the event in November, however 2 of the teams have struggled to find a full team each week, if you are interested in participating please see Dene at the next match so we can slot you into a team.

Important Changes

ALL Undersize fish now count for 3 weight points in all matches, if you are not in sight of another angler then these fish do not count, please just show the fish quickly to the angler next to you and return the fish immediately, once the fish is returned alive then register it on your card. This was introduced to stop the targeting of undersize fish and to eliminate blanking in all matches. If in doubt please ask Dene or Tony for clarification.

Incoming Committee:

Chairman: Tony Thomas

Vice Chairman: John Neave

Secretary: Dene Conway

Treasurer: Simon Farrow

Committee Members: Sam Atew, Peter Loke, Henry Randell, Nicole Conway, Sherry Murray
