### Winter Season

Hello to everyone, with the great British summer quickly fading away into a distant memory its time to dust down your winter warmers and get ready for the whiting and codling over the next few months.

We would like to welcome all new members and hope to see you at the first match this season on 12th of September.

This season we are giving every new and current member a presentation pack which will include the revised club rules, a laminated conversion chart, size limits, club badge, an order form for personalised clothing such as hats, jumpers etc, and a match venue survey which we hope everyone will contribute to in an effort to broaden our fishing horizons.

The National Sea League Final this year is to be held at Kelling and surrounding beaches, we have 3 teams in this event but only one team is complete, if any members wish to fish the final and be placed within a team please speak to Tony. There is also places available for new teams for this years league which begins on 10th October.

Any suggestion, ideas, or queries about anything relating to the club please speak to Dene or Tony.

On a final note anyone who is finding the walking to pegs difficult please speak to Dene and a close peg will be arranged before hand.

Please Note 16th Oct. is a Saturday.

### Important Changes Reminder

ALL Undersize fish now count for 3 weight points in all matches, if you are not in sight of another angler then these fish do not count, please just show the fish quickly to the angler next to you and return the fish immediately, once the fish is returned alive then register it on your card. This was introduced to reward those who happened to only catch undersize fish and to eliminate blanking in all matches. If in doubt please ask Dene or Tony for clarification.

Incoming Committee:

Chairman: Tony Thomas  
Vice Chairman: John Neave  
Secretary: Dene Conway  
Treasurer: Simon Farrow
